

**The following precautions are in place to prevent the spread of Covid-19. These precautions must be taken seriously. You will be asked to leave if you do not follow them. These precautions were submitted to IDNR so we can comply with the governor's orders. Any infractions could jeopardize future events.**

1. We will have a contactless thermometer and will take the temperature of all participants.
2. We will ask the following questions of all participants to screen for symptoms: "Have you been exposed to someone who tested positive for COVID-19 in the last 14 days?" "Do you have symptoms, such as shortness of breath, loss of taste or smell, chills, muscle pain or sore throat? If participants show symptoms, they will be directed to the nearest ER."
3. We are advising you as a participant to stay home if you have a high temperature or other symptoms, or exposure within the last 14 days. We also will screen upon arrival on the grounds, as described above.
4. We ask that you leave at least one parking space or an equivalent distance between your car and others. Ensure all trailers are parked 30' apart from each other.
5. The club will provide hand sanitizer and spray disinfectant but we encourage you to bring your own and use it frequently on your hands and equipment.
6. No meals or beverages will be provided for participants so please plan accordingly.
7. We are required to keep crowd size to a minimum so we ask that you limit guests to only those necessary. Participants will be responsible for the behavior of those accompanying them and will be asked to leave if there is failure to comply with these safety requirements.
8. Participants should bring everything that they need for the event. Participants should not share equipment with others.
9. All participants are responsible for their safe behavior and agree to maintain social distancing of at least 6 feet at all times.
10. A mask must be worn inside of any buildings and we suggest that you wear a mask for your own safety at other times and when you cannot maintain social distancing.
11. Current guidelines for state and local jurisdictions must be complied with by all participants.
12. No cash will be accepted at the event.

I have carefully read and understand the Covid19 precautions in place at this event and I agree to abide by them in their entirety. I understand that I am responsible for my own compliance and that of my guests as well as my safety and theirs. I understand that I will be asked to leave if I or my guests fail to follow these precautions.
